

### **Peter van der Werf**

Head of Active Ownership  
Robeco

Peter van der Werf is Head of Active Ownership at Robeco. He leads the corporate and sovereign engagement program in the Active Ownership team. With his engagement work, he has challenged sustainability leadership at more than 200 global companies to align their environmental and social strategy with Robeco's sustainable investing philosophy.

As Portfolio Manager - Global Engagement Equities, Peter contributes to impact investing in listed equity.

He is also an Advisory Board member of the Finance for Biodiversity foundation.

Peter started his career in 2007 and holds a Master's in Environmental Sciences from Wageningen University.
